

FLUOROCARBON TIPPET

100% Fluorocarbon Tippet

- A refractive index so close to water that the material is nearly invisible
- Maximum abrasion resistance in a design that is still easy to fish
- Dual coating enhances knot seating and reduces coiling
- UV-protective top coat maintains performance excellence and increases product life

Fluorocarbon Clear 82'/25m spools

Size	Diameter	Average Break Strength	Fly Size*
6X	0.005	2.6 lb	16-22
5X	0.006	3.6 lb	12-18
4X	0.007	4.6 lb	8-14
3X	0.008	5.6 lb	6-12
2X	0.009	8.0 lb	4-10
1X	0.010	11.0 lb	4-8
0X	0.011	13.4 lb	1/0-4
